

ART PROJECT CRITIQUE

GIVE YOURSELF A SCORE OF **0-10** ON ALL OF THE QUESTIONS BELOW EXCEPT NUMBER 8 (20PTS). WRITE A FEW SENTENCES EXPLAINING EACH OF YOUR RATINGS. ADD UP YOUR SCORES. YOUR TOTAL SCORE IS YOUR PERCENTAGE GRADE.

MY SCORE	TEACHER SCORE
-----------------	----------------------

1. Did you follow directions? Is the project executed as per the teacher's instructions?

2. Did you keep it balanced? Are all sides interesting? Do they all work together as a whole or does one distract from the others?

3. Does it have unity? Are all the parts subordinate to the whole? Do the objects stick out so much that they detract from the whole?

4. What is happening in the negative spaces? Do they make interesting shapes? Are they filled with interesting elements?

5. Does the picture grab your interest or is it blah?
- 6.

7. Is it neat or is it messy (not in execution but in presentation, meaning is it folded in the corners, torn, etc?)

8. Did you explore any interesting ideas (personal demons, social issues, etc.)?

9. Did you use all of the elements of art you could have used? (line, shape, form, value, color, space, texture) **(0-20)**

10. Would you give this picture to someone as a present, why, why not?
